Through her stories, Carol shows us how animals can help us to overcome challenges, find peace, and experience the joy of God's love.

Carol's love for animals began at a young age. She grew up on a farm, surrounded by all sorts of animals. She had a special bond with her dog, Buster, who was her constant companion.

As Carol grew older, she continued to find comfort and companionship in animals. She volunteered at a local animal shelter, where she helped to care for abandoned and abused animals.

Carol's work with animals has led her to some amazing experiences. She has witnessed the healing power of animals, seen how they can help children learn and grow, and experienced the joy of sharing her love of animals with others.

In *Blessings of the Animals*, Carol shares some of her most memorable experiences with animals. She tells the story of a dog who helped a family cope with the loss of a loved one, a cat who helped a young girl overcome her fear of animals, and a horse who helped a woman find her faith.

Carol's stories are not only heartwarming, but they are also inspiring. They show us how animals can make a difference in our lives, and how they can help us to grow closer to God.

If you are looking for a book that will make you laugh, cry, and think, then I highly recommend *Blessings of the Animals*. Carol Stream's stories are a reminder of the power of animals to heal, teach, and bring us closer to God.
