If you're new to fishing, there are several resources available to help you get started. The Kentucky Department of Fish and Wildlife Resources offers a variety of fishing classes and workshops. You can also find information on fishing in Breathitt County on the county's website.

Floating in Breathitt County

Floating is a great way to relax and enjoy the scenery of Breathitt County. The county's rivers and streams offer a variety of scenic floats, and there are several outfitters that can provide you with everything you need for a day on the water.

The best time to float in Breathitt County is during the spring and fall. The water levels are typically higher during these times of year, and the weather is more cooperative.

If you're new to floating, there are several things you should keep in mind. First, always wear a life jacket. Second, be aware of the weather conditions. Third, let someone know where you're going and when you expect to return.

Local Fishing Regulations

It is important to be aware of the local fishing regulations before you go fishing in Breathitt County. The Kentucky Department of Fish and Wildlife Resources has a variety of regulations in place to protect the fish population. These regulations include:

- Bag limits
- Size limits
- Season dates
- Gear restrictions

You can find more information on the local fishing regulations on the Kentucky Department of Fish and Wildlife Resources website.

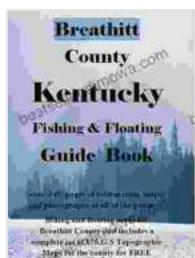

Tips for Fishing in Breathitt County

Here are a few tips to help you catch more fish in Breathitt County:

- Use the right bait. The best bait for fishing in Breathitt County varies depending on the type of fish you're after. Live bait, such as minnows and worms, is always a good choice. You can also use artificial bait, such as lures and spinners.

- Fish in the right spot. The best fishing spots in Breathitt County are typically located in areas with cover, such as fallen trees and brush piles. Fish also tend to congregate around structures, such as bridges and dams.
- Be patient. Fishing can be a slow process. Don't get discouraged if you don't catch a fish right away. Keep casting your line and eventually you'll be rewarded with a bite.

Breathitt County, Kentucky is a great place to go fishing and floating. The county offers a variety of fishing and floating opportunities, and there are plenty of resources available to help you get started. So what are you waiting for? Grab your gear and head to Breathitt County today!
