Book 1: Roadkill

In the desolate wasteland of King Highway, where darkness reigns supreme, a group of unsuspecting motorists finds themselves trapped in a nightmarish labyrinth. As they navigate the eerie and secluded roads, they become the prey of a malevolent force that haunts their every move.

With each passing moment, the lines between reality and nightmare blur as the travelers encounter gruesome roadkill, ghostly apparitions, and a sinister serial killer who stalks them from the shadows. As the body count rises, they realize that their only hope of survival lies in unraveling the chilling secrets that lie at the heart of King Highway.

Book 2: Signs of Madness

In the aftermath of the Roadkill horror, those who escaped the carnage are left grappling with the psychological scars of their ordeal. As they attempt to piece their lives back together, they find themselves haunted by visions of the highway's horrors.

Driven to the brink of madness, they seek refuge in an abandoned asylum on the outskirts of King Highway. But as they venture deeper into its haunted halls, they confront not only their own fragile minds but also the malevolent entities that dwell within its walls. The lines between sanity and insanity become indistinguishable, as the survivors are forced to face their deepest fears and darkest nightmares.

Book 3: The Final Reckoning

In the climactic chapter of the trilogy, the survivors of Roadkill and Signs of Madness must confront the ultimate evil that has plagued King Highway for centuries. As they unravel the truth behind the hauntings and the sinister forces at play, they find themselves entwined in a battle against the supernatural.

With their lives and souls hanging in the balance, they must harness their collective strength, both physical and spiritual, to vanquish the darkness that threatens to consume them all. In a breathtaking finale, the fate of King Highway and its tormented inhabitants rests in their hands.
