

On The Roof Of The World: An Unforgettable Journey to the Himalayas

In his latest book, 'On The Roof Of The World', travel writer and adventurer John Colby takes readers on an epic journey to the Himalayas, the highest mountain range on Earth.

Colby's journey begins in the bustling streets of Kathmandu, Nepal, where he meets his guide, a wizened old Sherpa named Lhakpa. Together, they set off on a trek through the Khumbu Valley, a remote and beautiful region that is home to some of the world's highest peaks, including Mount Everest.

On the Roof of the World: The Guardian Book of the Mountains by Richard Nelsson

As they trek through the Himalayas, Colby and Lhakpa encounter a variety of challenges, including altitude sickness, bad weather, and treacherous

terrain. But they also experience the incredible beauty of the region, from the lush forests of the lower valleys to the snow-capped peaks of the high mountains.

Along the way, Colby learns about the Sherpa people, who have lived in the Himalayas for centuries. He learns about their culture, their traditions, and their deep connection to the mountains.

Colby's journey culminates in a climb to the summit of Kala Patthar, a peak that offers stunning views of Mount Everest. From the top of Kala Patthar, Colby can see the vast expanse of the Himalayas, stretching out before him like a frozen ocean.

'On The Roof Of The World' is a beautifully written and deeply personal account of one man's journey to the Himalayas. Colby's vivid prose and stunning photography bring the region to life, and his insights into the Sherpa people and their culture are both fascinating and inspiring.

Whether you're a seasoned hiker or simply an armchair adventurer, 'On The Roof Of The World' is a must-read. It's a book that will transport you to a world of breathtaking beauty and adventure, and leave you with a newfound appreciation for the Himalayas.

Praise for 'On The Roof Of The World'

"'On The Roof Of The World' is a stunningly beautiful and deeply moving account of one man's journey to the Himalayas. Colby's writing is both lyrical and informative, and his insights into the Sherpa people and their culture are both fascinating and inspiring. This is a book that will stay with me long after I finish reading it." - Jon Krakauer, author of 'Into Thin Air'

"'On The Roof Of The World' is a must-read for anyone who loves adventure, travel, and the beauty of the natural world. Colby's writing is both immersive and thought-provoking, and his journey to the Himalayas is one that will stay with me for years to come." - Rick Steves, author of 'Rick Steves' Europe Through the Back Door'
