The Oversubscribed Founder's Guide to Seed Fundraising is written by experienced venture capitalists who have seen it all. They know what investors are looking for, and they can help you put together a winning pitch that will get you funded.

In this book, you will learn:

- How to develop a compelling pitch that will get investors excited about your startup
- How to identify and target the right investors for your startup
- How to negotiate the best terms for your seed round
- How to close your seed round and get your startup funded

The Oversubscribed Founder's Guide to Seed Fundraising is the essential guide for any founder who wants to raise seed funding for their startup. If you are serious about getting your startup funded, then you need to read this book.

## **What's Inside**

The Oversubscribed Founder's Guide to Seed Fundraising is divided into three parts:

### **1. Part 1: The Preparation**

This part of the book will teach you how to develop a compelling pitch, identify and target the right investors, and negotiate the best terms for your seed round.

### **2. Part 2: The Execution**

This part of the book will walk you through the step-by-step process of closing your seed round. You will learn how to prepare for due diligence, negotiate with investors, and close your round on the best possible terms.

### 3. Part 3: The Aftermath

This part of the book will provide you with advice on how to manage your investors and build a successful startup. You will learn how to avoid common pitfalls, make the most of your funding, and achieve your startup's full potential.

#### About the Authors

The Oversubscribed Founder's Guide to Seed Fundraising is written by two experienced venture capitalists:

- **Alex Lazarow** is a partner at CapitalG, the growth equity investment arm of Alphabet. He has over 15 years of experience investing in early-stage technology companies.
- **Brad Burnham** is a managing partner at Union Square Ventures. He has over 20 years of experience investing in early-stage technology companies.

Alex and Brad have a wealth of experience to share with founders who are looking to raise seed funding. They have seen it all, and they know what it takes to get funded.
