

# Unlock Comprehensive Healthcare Knowledge with FM 02: Army Health System

Maintaining the health and well-being of military personnel is paramount to the United States Armed Forces. The Army Health System (AHS) stands as a cornerstone of this commitment, providing comprehensive healthcare services to soldiers and their families worldwide. To ensure the effective and efficient operation of the AHS, the United States Department of the Army has published a comprehensive guide known as FM 02, Army Health System.

## Scope and Content

FM 02 is an authoritative document that outlines the organization, functions, and responsibilities of the AHS. It covers a wide range of topics, including:

### FM 4-02 ARMY HEALTH SYSTEM by David John Marley
