Who Should Be In The Hall of Fame

There are many great players who have been inducted into the Baseball Hall of Fame. These players have all had outstanding careers, and they have all made a significant impact on the game of baseball.

Some of the greatest players in the Hall of Fame include:

* Babe Ruth * Hank Aaron * Willie Mays * Joe DiMaggio * Mickey Mantle * Roger Clemens * Greg Maddux * Tom Glavine * Tony Gwynn * Cal Ripken Jr.

These players are all legends of the game, and they all deserve to be in the Hall of Fame. They have all had incredible careers, and they have all helped to make baseball the great game that it is today.

Who Should Not Be In The Hall of Fame

There are also some players who have been inducted into the Baseball Hall of Fame who do not deserve to be there. These players have not had outstanding careers, and they have not made a significant impact on the game of baseball.

Some of the players who should not be in the Hall of Fame include:

* Joe Jackson * Ty Cobb * Pete Rose * Barry Bonds * Roger Maris * Mark McGwire * Sammy Sosa

These players have all been accused of cheating, and they have all been suspended from baseball. They have not had the same impact on the game as the players who are listed above, and they do not deserve to be in the Hall of Fame.

Criteria for Induction

The Baseball Hall of Fame has a set of criteria that is used to determine who is worthy of induction. These criteria include:

* Batting average * Home runs * Runs batted in * Stolen bases * Wins * ERA * Strikeouts * Saves

These are just some of the criteria that are used to determine who is worthy of induction into the Baseball Hall of Fame. The Hall of Fame also considers a player's character and their impact on the game.

The Baseball Hall of Fame is a prestigious honor that is reserved for the greatest players in the game. However, there are some players who have been inducted into the Hall of Fame who do not deserve to be there. And there are some players who have not been inducted who should be.

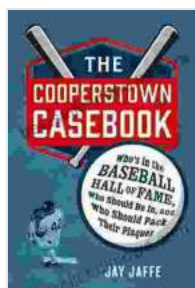

The criteria for induction into the Baseball Hall of Fame is constantly being revised. However, the following criteria are generally considered to be the most important:

* Batting average * Home runs * Runs batted in * Stolen bases * Wins * ERA * Strikeouts * Saves * Character * Impact on the game

The Hall of Fame also considers a player's overall body of work. A player who has had a long and successful career will be more likely to be inducted than a player who has had a short and unsuccessful career.

The Baseball Hall of Fame is a great way to honor the greatest players in the game. However, it is important to remember that the Hall of Fame is not perfect. There are some players who have been inducted who do not

deserve to be there. And there are some players who have not been inducted who should be.
